PLANNING AND ADMINISTRATIVE MATTERS
Approval of Minutes
The minutes for the September 21, 2005 meeting were approved as written.

DIVISION REPORTS
INVESTIGATIONS REPORT – Jon Brown
Mr. Brown said in September there were 46 written complaints logged, 12 new cases opened, 25 cases closed, leaving the number of open case files at 193. The Continuing Education audit report shows 51 new cases opened, and 21 cases closed, leaving the number of open files at 154.

DIRECTOR’S REPORT – Derek Miller
Director Miller said he has been working with Mr. Fagergren on the issue of delegating authority on hearings. He also reported he has been looking at other states in how they address licensing questions. He will be making some recommendations on these issues to the Commission at the next meeting.

EDUCATION/LICENSING REPORT – Mark Fagergren
Mr. Fagergren reported the Division has been working on getting the Real Estate newsletter out. Chair Burnham suggested the Commissioners take turns writing articles for the newsletter. The Commissioners agreed a copy of each industry newsletter should be sent to the Executive Officers of the Boards of Realtors, and perhaps send copies of the sanctions when they are issued. They feel the sanctions will be useful for training purposes.

OTHER BUSINESS
Commissioner Walker brought up an issue that may be coming to the attention of the Division. There has been some discussion regarding the ladies that sit at Open Houses to direct the flow of information having to be licensed. Mr. Brown said it could be changed in a rule.

There are two rule changes that have gone through the public comment period and are ready to be made effective. R162-2-2, Licensing Procedure, would allow the Division to waive some or all of the pre-licensing education by virtue of college-level courses or other equivalent real estate education. R162-9-1, Objective and Specific Hour Requirements, is the change to harmonize the rule with the Division’s practice of counting continuing education that have received Distance Education certification from the Division or from ARELLO as “live” courses. The motion was made and passed unanimously to enact the two proposed rules.

Ms. Christensen mentioned the volume of hearings that need to be scheduled. She said the hearings could be kept on a current schedule if the Commission would be willing to start the November 16th meeting at 8:30 a.m. and extend the day. It was agreed to follow the recommendation and begin the next meeting at the earlier time.
