3. The minimum down payment is _____% of the purchase price.
4. The annual interest rate is __________ %. 

5. The minimum monthly payment ranges from $_______ to $_______ depending on the purchase price.

6. Does the purchaser have the right to prepayment? □ Yes □ No

7. What is the result of failure on the part of the purchaser to comply with the terms of the contract?

   __________________________________________________________

8. Are there any provisions for refunds? __________________________________________________________

9. What is the responsibility of the sub-divider to the purchaser when payment on the property is complete?

   __________________________________________________________

10. Is an exchange privilege provided by the sub-divider?

    __________________________________________________________

11. Is a resale market provided by the sub-divider?

    __________________________________________________________

12. Who is responsible for paying the recording fees, title insurance and other closing costs of the offering?

    __________________________________________________________

13. What are the terms of any protective release clauses that are provided for the protection of the purchasers?

    __________________________________________________________

14. How does the sub-divider propose to obtain release of the blanket encumbrances on the subdivided property?

    __________________________________________________________
15. If there is no provision for release clauses, what other legal steps have been taken to protect the purchaser in the event the sub-divider defaults on the blanket encumbrances?

16. What will be the disposition of the earnest money deposits made by the purchasers?

17. What steps will be taken to protect the earnest money deposits in the event that the sub-divider does not perform his obligations under the contract?

III. OFFERED PROPERTY

1. There are ______ types of units being offered to the public.
   Type of Unit    Number of Units Available    Size-Square Ft. or Acres
   a)            
   b)            

2. Has the subdivision been platted? __________________________
   If not, have the lots been staked and marked? __________________________

3. Briefly, what is the physical nature of the subdivided lands? __________________________

4. What is the distance in miles, by road, from the principal surrounding cities and towns? __________________________

5. What is the approximate size of the surrounding cities? __________________________

6. What is the prevailing climate for the area? __________________________
7. What are the material features of the subdivided lands and surrounding areas that could affect the use of the subdivision? Items to consider are such things as drainage, flood control and soil content which would require special foundation work.

IV. IMPROVEMENTS, UTILITIES AND OTHER SERVICES

1. Are there any completed roads, streets, curbs, gutters, sidewalks or other improvements present on the subdivided land? □ Yes □ No
   a) If yes, identify and describe generally these completed improvements within the subdivision.

   b) Who is responsible for the maintenance of these improvements and for their surface?

2. Are there any partially completed or proposed improvements scheduled for completion at some time in the future?

   a) If so, when will they be built?

   b) By whom will those improvements be completed?

   c) Does the contract price include the cost of these improvements? □ Yes □ No

   d) Who will be responsible for the maintenance of these improvements?
3. Can these improvements be constructed at the present time? □ Yes □ No
   
   a) If not, give the reasons why they cannot be constructed or maintained presently.

4. Are there any performance bonds, or other similar assurances that the proposed improvements will be completed? □ Yes □ No
   
   a) If there are, what are they?

5. Who will supply the electricity and gas to the lot owner at the property line?

   a) If these services are not available at the property line, what is the estimated cost of bringing them to the property?

   b) If natural gas is not available, furnish estimate cost figures for installing bottled gas units capable of adequately heating a home on the property and other necessary charges.

6. Who is responsible for providing a sewage disposal system to the property line?

   a) If the system is not available at the property line, what is the estimated cost of bringing the service to the property?

   b) If septic tanks are to be used, what is their estimated cost?
c) Is a permit from the local authorities necessary in order to install a septic tank?

What is the cost of such a permit? ______________________________

d) If a septic tank is to be used, indicate the minimum square footage necessary to comply with local ordinances.

______________________________________________________________

______________________________________________________________

7. Is culinary water presently available at the property line?

______________________________________________________________

______________________________________________________________

a) If water is to be supplied by individual wells or by other means of the ultimate owner, indicate the estimated cost. ______________________________

Indicate probable depths required for a well. ______________________________

______________________________________________________________

Indicate the results of any tests establishing that a sufficient quantity of potable water is available. ______________________________

b) Has the water been analyzed by local health authorities? □ Yes □ No

c) What were the results of these tests? ______________________________

______________________________________________________________

8. Is telephone service available to the property line? ______________________________

a) Who is responsible for providing the telephone service? ______________________________

b) If the purchaser is responsible, what is the estimated cost of providing service to the individual lots? ______________________________
Include all installation costs that the purchaser will have to bear.

9. Is television reception available to the lots without additional cost? □ Yes □ No

10. a) Is fire protection available for the lots? □ Yes □ No
    If yes, who provides it and what is the cost to the purchaser?

    b) Is police protection available for the lots? □ Yes □ No
    If yes, who provides it and what is the cost to the purchaser?

    c) Are garbage disposal services provided for the lots? □ Yes □ No
    If yes, who provides it and what is the cost to the purchaser?

11. Where are the nearest elementary and secondary schools located?

    a) Who will provide the transportation of the children to these schools?

12. Is any public transportation available to the purchasers of lots in this subdivision? □ Yes □ No
    a) If yes, what is its nature?

13. Where are the nearest medical and dental facilities?

14. Where are the nearest shopping areas?

15. Are any common recreational facilities to be provided for the subdivision? □ Yes □ No
    a) If yes, what is their nature?

16. What other recreational activities are available in the immediate area?
V. CONDITION OF TITLE, ENCUMBRANCES, DEEDS OF RESTRICTION, ZONING

1. How and when was the subdivision acquired by the sub-divider?

2. What is the current condition of the title to the land comprising the subdivision?

3. Are there any outstanding mortgages, liens, or other encumbrances which could affect the passage of title? □ Yes □ No
   a) If yes, what are they specifically?
   b) If yes, what are the material terms of any encumbrances upon the subdivision?

4. Are there any restrictions of record that could affect a purchaser's use of the unit or lot?
   □ Yes □ No
   a) If yes, what are they?

5. Are there any zoning or other government regulations that could affect the purchaser's use of the property? □ Yes □ No
   a) If yes, what are they?
VI. TAXES AND SPECIAL ASSESSMENTS

1. What is the real estate tax rate for the current year?
   
   a) Who is to pay such taxes?

2. Are there any special assessments which the purchaser would have to pay on the property?
   □ Yes □ No
   a) If yes, what are they?

3. Are there any membership fees, assessments, or dues which a lot owner would have to pay as a condition to become an owner of a lot or unit within the subdivision? □ Yes □ No
   a) If yes, what are they?

VII. THE COMPANY

1. In what year was the sub-divider organized?

2. What is the sub-divider's form of organization?

3. If a corporation, in what state was the sub-divider incorporated?

4. What is the location of the sub-divider's principle place of business?
   a) Where, if any, are the branch offices located in Utah?

5. Does the sub-divider have any subdivision experience? □ Yes □ No
   a) If yes, how extensive is that experience?
   b) If yes, give a brief history of the registrant's business.

6. For information concerning the officers and directors of the registrant sub-divider, see Principal Data Sheet at the end of this form.
7. Are there any pending legal proceedings against the sub-divider which may affect the ability of
the sub-divider to perform in accordance with the offering? □ Yes □ No
a) If yes, specify the nature of the proceedings.

VIII. EXHIBITS, PROVIDED AT THE END OF THIS FORM

(A) Overall map showing the subdivision and how to get to the subdivision from a nearby city or town.
(B) A representative unit map showing all zoning requirements.
(C) Schedule of prices and payment.
(D) Copy of statements concerning zoning and either an attorney's opinion that the subdivision will not violate local law or an approved and recorded plat.
